

CONDUCTING A CRIMINAL BACKGROUND CHECK IS A CRUCIAL PART IN ASSESSING THE RISK OF BRINGING THAT PERSON INTO YOUR ORGANIZATION.

You can use the results of a criminal background check to assess the applicability of the record to the position's level of responsibility, exposure to assets or customers, and other criteria.

Our comprehensive preemployment and post-hire criminal background checks are guaranteed to help you decrease corporate liabilities, reduce fraud, promote a drug-free environment and prevent violence and theft. "Finding and keeping the best person for the job is more than just an interview and a gut feeling."
